Dear Alice:

Please forgive me for not writing sooner. I got a lovely ~~letter~~ from Lenora. She's about the smutest girl I ever knew. I'm not talking I mean it. Miss Marie has done me her last dirty trick unless she does it right to my back like she's been doing so I'm through with her forever. Please don't say any thing that will get to Marie. I've got a detective on her track also

a mighty good detective became me.
I've got to make this snappy as I'm
going down town. I thank you Alice
for asking me to come and see
you and our latch key will fly
open to you and all of my true
friends. Well Girlie I must close
and get ready to godamn town.
I have quit school thank goodness
I think I'll start all over again
in Manvoua next term.
Write soon to a friend
Betty.

Please keep mum about marie
she doesn't know that I know
I am learning more.

I went to see Robin Hood Thurs.
and oh I'll never forget it.
It was wonderful.
